90 **Coleen:** She attended the Library Board meeting today. The new librarian is doing a very good job she  
91 has cleaned out the storage unit and so we will not have to pay that fee each month. She wanted to  
92 know if the council thought she should put ads on the radio for the July 4<sup>th</sup> celebration. It would cost  
93 about \$900 the council agreed that she should go ahead.

94 **Mike:** He would like to flag some sidewalks in the City to have replaced along State Street. He will  
95 decide which ones need to be done. He also discussed the grates on Main Street and the council  
96 decided they should do some work on the grates and the planters.

97 **Chris:** He met with Natural Resources at the dam. They would like the woody plants cleaned out of  
98 the dam. We also need to clean the upper flood dam out and remove slit and we need to do some repair  
99 on the spillway.
