2019-02**

**A RESOLUTION RESCINDING MT. PLEASANT CITY RESOLUTION 2010-04 AND
SETTING CULINARY WATER RATES WITHIN AND OUTSIDE OF THE
MUNICIPAL BOUNDARIES OF MT. PLEASANT CITY.**

WHEREAS, Mt. Pleasant City Resolution 2010-04 was approved by the City Council on May 11, 2010 and became effective on June 1, 2010; and

WHEREAS, said resolution was enacted for the express purpose of increasing water rates in order to obtain a loan from the Community Impact Board (CIB) and to retire the debt on the loan; and

WHEREAS, the loan was used to upgrade the culinary water system to adequately provide culinary water service for the City; and

WHEREAS, the City diligently remits payments to retire the loan and works to maintain the culinary water system; and

WHEREAS, cost analysis demonstrates the need to increase culinary water rates to assure that upgrades that are nearly a decade old are maintained and enhanced.

WHEREAS, due to the higher cost associated with providing culinary water service to customers outside City limits, the base rate will be assessed 1 ½ times the resident City rate
