Baseball was introduced to Mt. Pleasant in 1875 when two teams were organized. During the 1880's they were called the Cracker Jack teams. The Red Stockings and the Resolutes vied with each other regularly in the public square. In March of 1890 the City purchased 20 acres of land on the south end of State Street for a city park. A small grandstand was built, complete with chicken wire netting across the front of it.
