Tiny, Mini, and Little
Miss Mount Pleasant

Congratulations to our Little Miss, Mini Miss and Tiny Miss Mount Pleasant Royalties. All of these girls are so talented and were such a joy to watch on stage!! A very special thanks to our directors Jerry Kelso, Carly Fowles and our Miss Mount Pleasant Royalty, a lot of work goes into these pageants and we appreciate you!

Kevin Stallings moved to Mount Pleasant approximately 30 years ago. He wanted to work and raise his family here. As a husband, father, grandfather, small business owner, employer and citizen of Mount Pleasant, Kevin feels that this decision has been a tremendous blessing for his family.

There are areas in which Kevin would like to support, strengthen and improve within the city. These areas include: Roads, power and water, Planning & Zoning development and Industrial park businesses.

Throughout his term Kevin pledges to work hard and build on the foundation of this great city.
