Will the 4th of July be Cancelled?

The question seems to be on everyone's minds. While we haven't officially cancelled the Mt. Pleasant Hub City Day's Celebration, which is held every 4th of July it is likely it could happen. Currently most of the State of Utah is in the yellow phase of the current COVID-19 Pandemic. In this phase we can not hold the events that usually take place during the celebration. Fireworks will still be celebrated at dusk in either phase. If we move into the green phase watch for updates on Facebook and at mtpleasantcity.com some events may still take place. Again, this is only if we move into the green phase of the Pandemic.
