According to Utah Wildfire online page, 92% of all wildfires have been human caused. Most of these fires were started by accident but all were preventable. The State of Utah is in high fire danger and in extreme drought conditions. Mt. Pleasant City is asking you pay special attention to the weeds on your property. Weeds need to be mowed and trimmed especially on empty lots. It's extremely important not only to protect our families and neighbors, but know that if you do start a fire you will be held liable for any and all costs.

It is not legal to have travel trailers parked in town and occupied as a residence. The City Code states: A conditional use permit for a travel trailer park must be issued before such a facility may be constructed in any zone which permits the construction and location as a conditional use. In addition to such terms and conditions as may be required upon the issuance of a conditional use permit for a travel trailer park, all travel trailer parks shall be built to the standards set forth. If you need to report a travel trailer that is being lived in within the City limits please contact the Mt. Pleasant Police Department at 435-462-2724.

Mt. Pleasant City will be holding a Public Hearing on August 25th at 6:00 P.M. This hearing will be held to discuss the possibility of adding RAP Tax to Mt. Pleasant City. RAP Tax is additional one-tenth-of-one-percent sales tax levied on all purchases within the city. If, for example, a person, including tourists and visitors, were to spend \$10 at a store, one cent would be allocated to RAP Tax. This RAP Tax stands for Recreation, Arts and Parks. Sales tax revenue generated by this tax will go directly to benefit local projects related to Recreation, Cultural Arts and Parks.

Funds can be used for capital improvements as well as programs.

We are still on 2 days a week water restrictions. Please help by obeying these restrictions and try and conserve when possible. Our water resource is extremely low and we may have to reduce days even more if it becomes to low. Even addresses are Monday's and Friday's Odd addresses are Tuesday's and Saturday's 6am-10am or 6pm-10pm but not both. We appreciate your help.

The first Central school established in 1896. The new School was called Hamilton Elementary. It was indeed a happy day for the settlers. The school sometimes housed grades up to the 8th grade and had anywhere from 350 to 600 students at one time.
