The Police Department is working on cleaning up the City’s right of way. They are asking that all citizens move cars, trailers or other items from the right of way and place them onto their own property. The City’s right of way is 10 feet from the edge of the road. They will attempt to contact the property owners. If they are unable to make contact a citation will be issued. Please call our office if you have any questions pertaining to this request.
