

Mount Pleasant City Newsletter

SEPTEMBER 2020

The Mt. Pleasant Power Department would like to thank the citizens for their patience and understanding with our recent power outage. We would also like to thank the Mayor, Fairview City, Spring City and all those that worked throughout the night to help restore the power. We experienced unusually high temperatures and high load in our Sub 1 which caused a failure in one of our transformers. Although we don't anticipate any further failures, listed below are some tips if we do experience a brownout again.

- **Reduce your load:** Once you realize that you are experiencing a brownout, it is wise to switch off any appliances that you don't need. Things such as tv's, microwaves, washers and dryers should be turned off to reduce the power.
- **Be Prepared:** Preparing for such an event includes keeping alternative lighting such as candles, backup generators and having ready-made food packed in the house. Being prepared will help keep you calm and safe throughout the outage.
- **Get a Power Surge Protector:** A power surge protector is useful to protect your electronics from electric surges that may occur after a brownout or blackout. The Mt. Pleasant Power Department can install one on the outside of your home for \$180.00. For more information or to schedule call City Hall.

Remember Mt. Pleasant City is a member of UAMPS. Utah Associated Municipal Power Systems has several Smart Energy programs that you can participate in. Get cash back on energy efficient appliances, air conditioners, LED lighting and much more!! Visit www.uamps.com for more information.

Mt. Pleasant City Watering Restrictions

1 DAY A WEEK

EVEN ADDRESSES:

Wednesday

ODD ADDRESSES:

Thursday

6AM to 10AM OR 6PM to 10PM

NOT BOTH!!

**ABSOLUTELY no watering all night,
no pipe field, or open hose watering.**

**This applies to Culinary and Irrigation.
Fines start at \$150.00 for not obeying said restrictions.**

Unfortunately on the 10th of August we had to reduce watering days down to 1 day a week. Irrigation is scheduled to be turned on until October 15th, 2020, if weather permits. Until that time we are hoping to keep watering at least one day a week. If we are able to increase these watering times we will notify you via Facebook, local newspapers and postings at local stores.

CALENDAR OF EVENTS

City Council

Meetings:

SEPT 8TH

CDRA 6:00PM

CITY COUNCIL

6:30PM

SEPT 22ND

CITY COUNCIL

6:30PM

Shut Off Day:

SEPT 21ST

at 9:00AM

Please have past due amounts paid in full before this time to avoid shut off.

Utah's smallest drive in, The Basin Drive-in has a capacity for about 200 cars. An interesting fact about the Drive-in was it originally opened about 300 miles from its current location in the Uintah Basin (hence the name). In 1958 it was moved to its present location. Everything including the old sign out front was moved so it kept it's original name.

9AM-5PM, Monday-Friday

115 W Main Street, Mount Pleasant Utah 84647

We Accept Cash, Check, HSA, & Credit Cards!

You can fill out the form online and bring it with you

The Mt. Pleasant City Council voted to add the RAP Tax to the ballot for this year. Watch for more information to be mailed out.

WHAT IS THE RAP TAX?

RAP stands for Recreation, Arts, & Parks. A RAP Tax is a sales tax that is added to the regular sales tax. Revenues generated from a RAP tax are reserved for specific projects including: Parks, Cultural Arts Programs, and Recreation Programs. Mt. Pleasant City would be authorized to impose a 1/10th of 1% sales tax and use the tax to help fund recreational amenities, park facilities, cultural art facilities and organizations in Mt. Pleasant City.

WHAT COULD THE RAP TAX FUNDS BE USED FOR?

Funding may be used for capital improvements and operations of publicly owned/operated amenities such as but not limited to: Parks, playing fields/courts, splash pads, performing arts centers, trail/bike paths. Funding may be used to support municipal or non-profit organizations providing programs such as but not limited to: Youth groups, museums, theater groups, festivals and heritage.

WHO PAYS THE RAP TAX?

Anyone who makes a qualifying purchase in Mt. Pleasant City will pay the RAP Tax, regardless of place of residency.

In response to the concerns expressed by Mt. Pleasant City citizens regarding the impact of deer in our city, Mt. Pleasant City is looking into a resolution through the Urban Deer Control Plan sponsored by the Division of Wildlife Resources (DWR). We would like input from our citizens. Please fill out the form below and return with your bill or email us at front.desk@mtpleasantcity.com and give us your input. If you would like more information on the Urban Deer Control Program visit wildlife.utah.gov.

Do you feel Mt. Pleasant City has a deer problem?

Do you wish for Mt. Pleasant City to remedy the problem?

Do you agree with lethal removal where meat would be donated to local families in need?
